

- It will be your responsibility to recruit volunteers to help teach the outreach classes.
- You can have as many volunteers help you as you would like, but there should be at least 2 volunteers per session.
- Ask the marketing director for the volunteer flyer so that you can advertise the opportunity on instagram, snapchat, facebook. The social media director will also be advertising the volunteer opportunity on these platforms.
- Volunteers can sign up to help teach a class here:
